

KEYANA STORYTIME KIT

Meet Keyana McGee! She has **BIG** ideas and a **BIG** personality!

Keyana has a big voice, big hair, a big heart, and big ideas! Sometimes, her ideas are so big she needs her family and friends to help her bring her vision to life. This kit contains activities to help you give your big ideas life and, most importantly, to celebrate family and friendship!

BIG Themes to Celebrate and Discuss

- Change
- Confidence
- Creativity
- Family
- Friendship
- Imagination
- Individuality
- Leadership
- New Experiences
- Problem Solving
- Resilience
- Teamwork

Dream **BIG**, Draw **BIG**

Create a **BIG** welcome sign for the next time you have a family get-together or when a special friend visits. Fill in the sign with ideas and drawings for how you might spend your time having fun.

Keyana Loves Lists

Whether hosting a movie night or planning a sleepover, Keyana loves to make a list with check boxes, lots of colors, bubble letters, and doodles. Get organized (and creative!) by making your own super-spectacular list for the next activity you're planning.

Public Poetry

Keyana isn't always comfortable speaking in front of a large crowd, but poetry helps her express herself in front of others! Write a poem about something you love. If you're feeling extra brave, try reciting your poem in front of your parents, friends, or classmates.

KEYANA STORYTIME KIT

FAMILY NIGHT VISION BOARD

BIG ideas take a lot of work, but the best ones are always worth it! Fill the space below with words and doodles of your BIG ideas for a family night! Will it be a backyard movie soiree, a game night, a scavenger hunt, or something else? Will there be snacks? What kind? And don't forget, the biggest ideas are even better when your family is there to help!

KEYANA STORYTIME KIT BEST FRIEND DIAGRAM

One of the best parts of friendship is that you get to be different *together*.
Use the two outer circles to write down things that make you and your friend unique.
Use the inner shape to write down qualities and interests you both share.

CREATE YOUR OWN QUILT SQUARE

Keyana's class makes a quilt of things they love about their school. Use the space below to design a quilt square that represents something you love about yourself. If your friends or family also create their own quilt squares, tape the squares together to create one big, *fantabulous* quilt.
