

## *Match the Tale with its Country of Origin!*

In *Enchanted Tales* by Laura Sampson, young readers embark on a magical journey with a diverse selection of enchanted tales from all over the world. As we get lost in tales of imaginary worlds, enchanted animals, fantastical creatures, wizards, and more, it's important to appreciate how these stories are significant to the cultures they come from.

Use the worksheet, on the next page, to test your knowledge and guess which country each tale originates from!

Draw a line connecting each tale with its country of origin. Use the picture as a hint!
